Have you noticed the construction on Dodd Boulevard? **Here is some information regarding access to,** **and leaving Lord of Life**

Yes, there are several improvements being made along Dodd Boulevard. While we have been informed of the project, we do not have much specific information on the timing of the stages of the work. For now, it appears, all the work will be completed some time in October.

For now, and the immediate timing, with regard to access to Lord of Life, most will need to access our drive and entry, coming from the south on Dodd Lane. **One word of caution, added awareness, when it comes to leaving Lord of Life:** Taking a left from 165th Street to go north onto Pilot Knob, south of Lord of Life, to the east of Dodd Lane is not always the easiest. Many people may prefer to turn left off of 165th Street, onto Elm Creek Lane, through the townhome development, to our east. Elm Creek Lane will take you to Dodd Boulevard, just west of Pilot Knob; at the stop sign at Dodd Boulevard, turn right, and you will approach Pilot Knob. Others may prefer to take 165th to Pilot Knob, and then to turn right onto Pilot Knob; go south to 170th, and make a U Turn, if needed, at the light at 170th. Please reach out with any questions or concerns, and we will do everything possible to keep you informed to the status and timing of the project on Dodd Boulevard. Thank you for your support!
